Cheer on Thousands of Runners!

The Rock 'n' Roll Marathon Series is built around entertainment. Event organizers stage live bands, DJ's, buskers, selfie stations and cheerleaders throughout the runner's course to keep them entertained. This is a fun community event where you can cheer on the runners, rock out with the entertainers and support the local or regional charities!

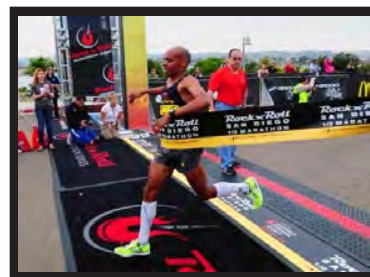

We're looking for people who...

- ★ Love listening to music and enjoy working with bands
- ★ Have event experience
- ★ Are willing to wake up early to support their community
- ★ Are outgoing, professional, and reliable!

So, What's Your Job?

Stage managers will act as the liaison between bands, sound companies, and event organizers. Stage Managers will ensure the band begins playing on time, the stage is set up properly, music is continuously playing and will be our "eyes & ears" along the course if any issues arise.
